32 **Objection Deadline: June 22, 2022**

33 I, Kathleen Deiner, hereby declare and state as follows:

34 1. This declaration is based upon my personal knowledge unless otherwise indicated. If
 35 called upon to testify as to the matters stated herein, I could and would competently do so.

36 2. On the day of the Camp Fire I was living at 8416 Montna Drive, Paradise, California
 37 95969 with my husband, Charles Deiner. We owned this property. The fire destroyed the house
 38 and all our possessions.

39 3. Not only did we lose our home, but we also lost most of our personal property,

1 including collectibles, antiques, art, antique clocks, china, crystal, silverware, a piano and all
2 other furnishings, surveying equipment, tools, guns, fishing gear, a utility trailer, boats, clothing,
3 jewelry, and medications.

4 4. My husband and I were unable to evacuate together. He had to go help family
5 members evacuate and I was at the Walgreens pharmacy awaiting transportation away from the
6 fire. We had been married for nearly 50 years and I was fearful I would not see him again.

7 5. We were displaced for about four months.

8 6. Not only did we lose our home, our in-laws, son and granddaughter lost their respective
9 homes.

10 7. My elderly father-in-law has dementia, and because my in-laws' home burned down,
11 they came to live with us. We had to care for them all the time we were having to deal with their
12 insurance claims, as well as our insurance claims. The insurance company made us deal with
13 different adjusters for each part of the respective claims. We believed that we might receive
14 sufficient money from our insurance company and were just too overwhelmed by trying to ensure
15 our in-laws' well-being and dealing with both insurance claims to deal with filing a claim in the
16 PG&E bankruptcy. We were completely overwhelmed and were unsure if all of our losses would
17 be covered by the insurance or through the claims process.

18 8. We know now that all our losses are not all covered by insurance, and we recently
19 learned that we can also file a claim in the PG&E bankruptcy.

20 I declare under penalty of perjury under the laws of the State of California and the United
21 States that the foregoing is true and correct.

22 Executed at Paradise, California, on 5/12/2022.
